

This new grant program, launched by the Cushwa Center in spring 2018, memorializes the historic connection between Saint-Mary-of-the-Woods College and the University of Notre Dame, which celebrates the 175th anniversary of its founding in 2017–2018.

The grants are named for Saint Mother Theodore Guerin, a French missionary to Indiana who established the Sisters of Providence of Saint Mary-of-the-Woods, just north of Terre Haute, in 1840. When Father Edward Sorin, the priest of the Congregation of Holy Cross who founded Notre Dame, arrived in Indiana that same year from France, he and his six companions first settled near Vincennes in the southern part of the state. Facing many challenges in a foreign land, Father Sorin found in Mother Theodore a ready collaborator and friend. Guerin even sent Sorin the substantial gift of a wagon and a yoke of oxen, and thus became one of the first benefactors of Holy Cross in the earliest days of the Congregation's arrival in America. Mother Theodore and her congregation would go on to found schools, two orphanages, and free pharmacies in Indiana and Illinois. She was beatified in 1998 by Pope John Paul II and canonized by Pope Benedict XVI in 2006.
